How to Use the Tables in This Booklet

After the explanations found here, you will find our rate tables. To determine the rate using the tables, select the liability amount under the first column **Policy Amount**, then look under the adjacent column for the **Premium** amount for either an Owner's Policy or Loan Policy.

Title Insurance Rates for Owner's or Leasehold Policies

An Owner's policy, insuring an estate or interest in land, will not be issued for less than the full value of the land, or in the case of a leasehold, the insurable interest of the lessee.

Reissue Rate

1. REISSUE RATE AS TO OWNER'S AND LEASEHOLD OWNER'S COVERAGE

A. Reissue rate applies up to the original amount of insurance of a prior policy for the current insured, purchaser from said insured or lessee from said insured. If more insurance is desired under a reissue policy than was written in the original policy the additional coverage must be computed at the applicable rate.

B.

REISSUE TITLE INSURANCE RATE FOR OWNER'S AND LEASEHOLD OWNER'S POLICIES

Age of Original Owner's Policy:	
10 years or under	50% of policy rate
Over 10 years	100% of policy rate

B. If a contract purchaser who has obtained a policy insuring his contract and thereafter obtains a deed pursuant to the contract makes application for an owner's policy within ten (10) years from the date of the contract the reissue rate shall apply up to the face amount of the previous policy.

C. Lot Development

When an Owner's policy is issued insuring land purchased by a developer, the reissue rate will apply to an Owner's policy subsequently issued on any individual lot, condominium unit,

residence or acreage sold by the developer, provided however that such reissue rate shall apply only to policies issued within ten (10) years from the date of the original policy, and the reissue rate shall apply only until policies have been issued which total the face amount of the original policy.

2. REISSUE RATE AS TO LOAN POLICIES

A. When the owner of land on which application is made for loan title insurance has had the title to such land insured as owner, or there exists a prior Loan policy, with an effective date within ten (10) years, such owner shall be entitled to the reissue rate on such Loan policy up to the original face amount of such Owner's or Loan policy.

B. If the amount of insurance desired under the Loan policy is in excess of the original Owner's policy the excess shall be calculated at the applicable rate.

C. As to residential Loan policies, if there exists an open institutional first mortgage of record, with an effective date within ten (10) years, the reissue rate shall be applied as to the face amount of said mortgage.

REISSUE TITLE INSURANCE RATE FOR LOAN POLICIES

Age of Original Owner's Policy:	
10 years or Under	50% of policy rate
Over 10 years	100% of policy rate

Construction Loan Rate

The Company will, upon request, issue a Construction Loan Policy, good for a period not to exceed two (2) years, in connection with a temporary construction loan for the following premium charge: $2.00 for each $1,000 of written liability or fraction thereof. A Construction Loan Policy will be issued only in connection with a temporary and short term loan for the financing of construction secured by a temporary loan, as distinguished from a permanent loan.

If the construction loan becomes a permanent loan the premium will be computed at the applicable loan rate.

We will be happy to give you a quotation on any transaction involving a construction loan.

Simultaneous Issue Transactions

SIMULTANEOUS ISSUANCE OF OWNER'S AND LEASEHOLD OWNER'S POLICIES

A. When Owner's and Leasehold Owner's policies covering identical land are issued simultaneously, the rate for the Owner's policy shall be the applicable owner's rate. The rate for the Leasehold Owner's policy simultaneously issued will be 30% of the rate charged for the first policy, the minimum premium being $100.00. The premium on the amount of the Leasehold Owner's policy exceeding the Owner's policy is calculated at the applicable rate.

B. When two Owner's policies covering identical land are issued simultaneously to different insureds, the applicable owner's rate shall apply to the policy in the larger amount and the premium on the other policy shall be computed at 30% of the rate charged for the first policy.

C. Simultaneously issued policies are those policies which are issued as a part of the planned transaction and which are issued within a reasonable time of each other.

SIMULTANEOUS ISSUANCE OF OWNER'S AND LOAN POLICIES

A. When an Owner's policy and a Loan policy covering identical land are issued simultaneously there will be a premium charge of $100.00 (except as to timeshares which charge will be $75.00) for the Loan policy simultaneously issued so long as the amount of the Loan policy is not in excess of the amount of the Owner's policy. The premium on the amount of the Loan policy exceeding the Owner's policy is figured at the applicable rate.

B. When separate policies are issued simultaneously insuring multiple mortgages on the same land they shall be treated as a single transaction and the premium shall be based on the aggregate liability of the policies. Simultaneous Issue Rate of $100.00 applies for each additional policy issued.

C. Simultaneous issued policies are those policies which are issued as a part of a planned transaction and which are issued within a reasonable time of each other.

Commitments

A commitment to insure is a report showing the status of the title and the exceptions, if any, which will apply in the policy issued pursuant thereto. It is also a binding obligation of the Company to issue its policies in accordance with the terms and conditions of said commitment.

When a Commitment is required or pre-policy samples are requested for the closing of any transaction, a work/preparation charge may be collected in addition to the applicable premium. The charge will be retained by the agent/agency/entity responsible for producing the work and so disclosed at or prior to closing in appropriate documents. Any commitment will be effective for an initial six (6) months except as provided below.

The Company may issue an endorsement extending the effective period of the commitment provided:

A. A request for extension is received prior to expiration of the commitment.
B. The extension is for no more than six (6) months.
C. The effective date of the commitment remains unchanged.
D. The commitment may not be extended for a total period of more than two (2) years.

Extension of Loan or Owner's Policies

When endorsements are issued extending the effective date of a policy up to a current date the rate shall be as follows:

Up to 3 months	5 % of applicable rate
Over 3 months and up to 6 months	10% of applicable rate
Over 6 months and up to 1 year	20% of applicable rate
Over 1 year and up to 1 1/2 years	30% of applicable rate
Over 1 1/2 years and up to 2 years	40% of applicable rate
Over 2 years	50% of applicable rate

Periodic draw endorsements under an insured mortgage, no charge within two (2) years from the date of the insured mortgage.

Any increases over the existing face amount of the policy shall be at the applicable rate.

Endorsements

All endorsements to furnish special coverage will be issued and the charge therefore will be a percentage of the rate applicable to the policy on which the endorsement is written commensurate with the risk to be assumed by the issuance of such endorsement.

Zoning Endorsements

ALTA Endorsement 3.0 and 3.1: the premium rate for the zoning endorsement shall be $.25 per $1,000 of insurance.

Reinsurance

Reinsurance costs that the company incurs in the issuance of a policy may be added to the premium charges.

Please call 803-799-4747 should you need any assistance or have any questions with reference to endorsements or reinsurance.
