RE: Revised and Updated Arizona Rate Manual and Form Filing for WFGNTIC

Please be advised that on Friday, November 29, 2013, the WFG National Title Insurance Company Rate and Rule Manual for the State of Arizona will become effective. As of that date, please discard any previous manuals and begin using the new rate manual. The rates contained in this new manual are being programmed into the appropriate electronic systems and rate calculators and should be available soon.

This filing was concurrent with a Form Filing which added numerous policy, guarantee and endorsement forms. Please review the new Rate and Rule Manual for the abundant new products now available for use in this state.

If you should have any questions or concerns, please contact your local management or WFG Agency Support. An electronic copy of this revised and updated Rate Manual will be uploaded to the WFG Underwriting webpage (<http://wfgunderwriting.com/>) and can be reviewed there. WFG Agency Support can also assist you with obtaining the new forms now available.
