- 1.2 “Insurer” is a title insurance company which is a member of or subscriber to DTIRB. Unless otherwise indicated, “Insurer” includes all who are expressly authorized to act on behalf of the Insurer, including its employees and Agents.
- 1.3 “Agent” is a person, firm, association, corporation, partnership, cooperative or joint stock company expressly authorized by written contract with an Insurer to solicit risks, collect fees, and may prepare Commitments and/or title insurance policies on its behalf and who is licensed by the Insurance Department of the State of Delaware (“Department”).
- 1.4 “Commitment”, as used herein, is the agreement of an Insurer to issue its policy or policies of title insurance to a proposed Insured, as owner or mortgagee of an estate or interest in the land described therein, all subject to the provisions set forth in the Schedules and Conditions and Stipulations of said Commitment.
- 1.5 “Rate(s)” for title insurance, as used herein, are for title insurance premiums related to coverage in policies and endorsements, and do not include charges for searches, abstracts, attorney’s’ fees, escrow or closing services or other services charged by attorneys, abstractors, etc. All premiums are filed and approved by the Department.

2. GENERAL RULES

- 2.1 All Rates for title insurance coverage provided by the approved policies and endorsements must be made as set forth in this Manual. The Rates herein quoted are for title insurance premium only and do not include charges for searches, abstracts, Commitments, attorney's fees, or settlement/closing fees. Nothing contained herein shall preclude either Insurer or Agent from imposing charges ancillary to the issuance of a title insurance policy.
- 2.2 Insurer, upon notification to its applicant, may decline to search, examine, issue its Commitment or insure any title, or to issue any endorsement to a policy. Insurer may, at any time, in its sole discretion, refuse an application or cancel any unclosed application of the applicant, without liability on the part of Insurer.
- 2.3 Nothing herein shall prohibit Insurer from charging additional Rates for affirmative risk coverage(s) not contained in this Manual. Agents are responsible for the filing of information about such Rates with the Insurer within 90 days after the policy becomes effective. The Insurer will provide information to DTIRB concerning such Rates for reporting to the Department.
- 2.4 Insurer may withhold delivery of the policy of title insurance and have no liability until all applicable Rates, set forth in this Manual, have been paid in full and all conditions of the Insurer's Commitment satisfied.
- 2.5 All Rates made pursuant to this Manual must be paid at the time of closing, unless otherwise agreed to by Insurer or as otherwise set forth in this Manual.
- 2.6 No policy, endorsement or other coverage may be issued which varies the terms, conditions, stipulations or exclusions of a policy unless first approved by the Department. Affirmative coverages will be given only by endorsement to the policy. Approved policies and endorsements are for use by members of and subscribers to DTIRB as set forth in Sections 4 and 5 of this Manual.
- 2.7 To compute any insurance premium on a fractional \$1,000.00 of insurance, consider any fraction of \$1,000.00 as a full \$1,000.00.
- 2.8 RESERVED FOR FUTURE USE
- 2.9 RESERVED FOR FUTURE USE

3.8 ALTA SHORT FORM RESIDENTIAL LOAN POLICY

This policy insures the lender making a mortgage loan on a one-to-four family residence or condominium unit. This policy is an abbreviated short form version of the current ALTA Loan Policy, incorporating all of the terms and provisions of the ALTA Loan Policy, which is designed to be delivered to the lender at closing, and therefore rated in the same manner as loan policies issued under Section 3.6 of this Manual. This policy contains blanket exceptions to taxes, covenants and restrictions, easements, reservations of minerals or mineral rights, and offers certain affirmative assurances with respect to these exceptions desired by lenders, including certain affirmative assurances with respect to survey matters. This policy also includes an Addendum, which can be used to set forth additional exceptions or to limit the affirmative assurances. This policy is designed so that certain ALTA endorsement forms may be specified, and thus incorporated, by checking appropriate boxes, and charging the appropriate endorsement Rate(s) in accordance with this Manual.

3.9 ENHANCED COVERAGE RESIDENTIAL POLICIES

- A. The ALTA Homeowner's Policy of Title Insurance (For a One-to-Four Family Residence) (hereinafter the "Homeowner's Policy") provides coverage beyond that included in the current ALTA Owner's Policy and is often referred to as the "Enhanced Coverage Homeowner's Policy". The Homeowner's Policy may only be issued to a homeowner who will reside on a premises improved by a one-to-four family residence. The Rate for the Homeowner's Policy is the Owner's Policy Rate for the stated amount of insurance in Schedule A, together with an additional 20%

Rate, which is to be calculated by applying that percentage to the applicable Owner's Policy Rate.

- B. The ALTA Expanded Coverage Residential Loan Policy (For a One-to-Four Family Residence) (hereinafter the "Expanded Coverage Loan Policy") is the companion loan policy to the Homeowner's Policy. The Expanded Coverage Loan Policy incorporates the following endorsement coverages within its body by reference without the need to issue endorsements: ALTA Form 4.1, ALTA Form 5.1-06, ALTA Form 6, ALTA Form 6.2, ALTA Form 8.1, and ALTA Form 9.10-06. The Rate for the Expanded Coverage Loan Policy is the Loan Policy Rate for the stated amount of insurance in Schedule A, together with an additional 20% Rate, which is to be calculated by applying that percentage to the applicable Loan Policy Rate. When this policy form is used, there can be no separate Rate for the endorsements described above.

3.10 ASSIGNMENT OF MORTGAGE

- A. When the mortgage being assigned was not previously insured, the Rate for a policy shall be based on the amount of the unpaid principal balance. There is no additional Rate when the mortgage or the assignment of mortgage is part of a single transaction being insured.
- B. When an assignee desires an endorsement to an existing policy changing the name of the Insured only and neither requires a change in the effective date of the policy nor requires that the assignment be included as an insured instrument, the Rate shall be \$25.00.
- C. Endorsement DTIRB-85 shall be issued when an assignee desires an endorsement (i) to insure the effectiveness of a post-policy assignment of the Insured Mortgage to vest title in the assignee to the Insured Mortgage and (ii) to insure that the Insured Mortgage, except as shown of record, has not been modified, released or satisfied. The Rate for this endorsement is \$500.00.
- D. Endorsement DTIRB-86 shall be issued when the Insurer is being asked to insure an assignment of a previously insured mortgage, the assignment of the mortgage is being made within 10 years from the date of the execution of the mortgage and the Insurer is being asked to change the effective date of the Policy. The title must be certified down from the date of the recording of the mortgage through the date of the recording of the assignment. The endorsement to the existing policy furnishing coverage up to and including the date of recording of the assignment shall be issued for 30% of the Loan Policy Rate, with a minimum Rate of \$500.00, provided that it is being issued by the same Insurer which issued the original policy.

3.11 EXTENSION OR MODIFICATION OF AN INSURED MORTGAGE

When a mortgage which was previously insured by the same Insurer is still in effect and is to be amended by an extension or modification agreement, either an endorsement to the existing policy or a new policy may be issued which covers the recording date of the extension or modification agreement, after continuation searches have been obtained covering the period from the recording date of the mortgage through the recording date of the extension or modification agreement.

- A. The Rate for a new policy or endorsement to an existing policy issued in conjunction with an extension or modification agreement that does not increase the unpaid principal balance shall be calculated on the unpaid principal loan balance existing immediately prior to the extension or modification agreement in accordance with the following applicable Rate:

Up to 5 years from the date of the Initial Policy.....50% of the Loan Policy Rate

Over 5 years from the date of the Initial Policy.....100% of the Loan Policy Rate

“Initial Policy” shall mean the first loan policy of title insurance issued in connection with a loan that is secured by an interest in real estate. Any new policy or endorsement to an existing policy issued in conjunction with an extension or modification agreement pursuant to this Section 3.11 shall not be considered an Initial Policy.

- B. When the date of the Initial Policy is less than 5 years before the date of the extension or modification agreement that is to be insured for any increase in the unpaid principal balance of the loan in connection with the extension or modification agreement, the Rate for any amount of liability in excess of the unpaid principal balance of the loan being extended or modified shall be calculated at 100% of the Loan Policy Rate.

Example:

The unpaid principal balance of the loan being extended or modified is \$90,000. The liability being insured under the new policy or endorsement is \$125,000. The Rate for the new policy or endorsement would be calculated as follows:

The Rate for \$90,000 is 50% of the Loan Policy Rate or \$90,000 at 50% of \$3.25/per \$1,000 or \$146.25. The Rate for the excess over \$90,000 is the sum of \$10,000 at \$3.25/per \$1,000 plus \$25,000 at \$2.60/per \$1,000 or \$97.50. The Rate for the new policy or endorsement is \$243.75.

- C. When the date of the Initial Policy is less than 5 years before the date of the extension of modification agreement that is to be insured, and any new property(ies) are added under the extension or modification agreement, the Loan Policy Rate shall be charged from dollar one based upon the value of the new property(ies), in addition to charging the applicable Rate under subparagraph A of this Section,

based upon the unpaid principal balance of the loan. Any increase in the unpaid principal balance of the loan shall be charged the applicable Rate under subparagraph B of this Section.

Example No. 1: On January 1, 2021, the owner and the lender modify the mortgage loan (mortgage originally created in the amount of \$900,000 on January 1, 2017) by adding new property(ies) to the mortgage as collateral, pursuant to a mortgage modification agreement. The new property(ies) have fair market value of \$200,000. The current unpaid principal balance of the loan secure by the mortgage is \$700,000.

The Charge for the new policy or endorsement to the existing policy is calculated as follows:

- (i) 100% of the Loan Policy Rate on \$200,000.....\$585.00; to which is added:
 - (ii) 50% of the Loan Policy Rate on \$700,000.....\$942.50
- Total Charge \$1,527.50

Example No. 2: Same facts as Example No. 1 above and in addition, new monies are loaned in the amount of \$300,000, thereby increasing the unpaid principal balance of the loan to \$1,000,000. The Charge for the new policy or endorsement to the existing policy is calculated in the same manner as in Example No. 1, to which is added \$780.00 (being the difference between (i) the Loan Policy Rate on \$1,000,000 and (ii) the Loan Policy Rate on a \$700,000 policy); thus making the total Charge \$2,307.50.

- D. Notwithstanding subparagraph C of this Section, if no owner's policy is being purchased and an extension or modification of an insured construction mortgage results in the addition of new property(ties) within the same subdivision (but not an increase in the original principal amount of the mortgage), the Loan Policy Rate for a DTIRB-87 endorsement to an existing policy issued in conjunction with such extension or modification agreement shall be charged from dollar one based upon the value of the then current fair market value of the unimproved new property(ies).
- E. When a new policy is issued in connection with an extension or modification of a previously insured mortgage loan, the Initial Policy or existing policy, as the case may be, must be returned for cancellation.

3.12 SIMULTANEOUS ISSUE

A. Owner's and Loan Policy

When an owner's and a loan policy are issued simultaneously and insuring the identical real property, they shall be treated as a single policy for Rate calculation purposes. The

Rate, including any endorsements priced as a percentage, shall be based on the Owner's Policy Rate and applied to the policy with the highest limits; plus a \$25.00 simultaneous issue Rate.

Example:

An Owner's Policy is being issued with respect to a commercial property in the amount of \$100,000, with a Loan Policy in the amount of \$200,000, and a DTIRB-18 endorsement. The Rate for the policies and the endorsement would be calculated as follows:

The policy with the higher limits is the Loan Policy. The Rate for the first \$100,000 is \$460.00 (\$4.60/1,000), and the Rate for the next \$100,000 is \$390.00 (\$3.90/1,000), making \$850.00 the Rate for \$200,000. Because the property is commercial, the Rate for the DTIRB-18 endorsement is 10% of the Owner's Policy Rate or \$85.00. Together with the simultaneous issue Rate of \$25.00, the total Rate for the simultaneous issue of the policies and endorsement is \$960.00.

B. Owner's Policies – Fee Simple, Contract Purchaser and/or Leasehold Estates

When owner's policies insuring fee simple, contract purchaser and/or leasehold estates covering identical real property are to be issued simultaneously, the Rate for the owner's policy insuring the contract purchaser or leasehold estate will be thirty percent (30%) of the applicable Rate for the owner's policy insuring the fee simple estate, plus a \$25.00 simultaneous issue Rate. For contract purchaser or leasehold amounts in excess of the owner's policy amount insuring the fee simple estate, the Rate applied on the excess amount shall be 100% of the Owner's Policy Rate.

C. Multiple Loan Policies

When separate loan policies are issued simultaneously insuring two or more mortgages on the identical real property, the applicable Rate shall be based on the aggregate liability of the loan policies, plus a \$25.00 simultaneous issue Rate for each policy after the first.

D. Enhanced Coverage Residential Policies

When an ALTA Homeowner's Policy and an Expanded Coverage Loan Policy are issued simultaneously and insuring the identical real property, they shall be treated as a single policy for Rate calculation purposes. The Rate, including any endorsements priced as a percentage, shall be based on Owner's Policy Rate, in addition to a 20% Rate and applied to the policy with the highest limits, plus a \$25.00 simultaneous issue Rate.

The following example describes the calculation of the Rate for a transaction in which the Homeowner's Policy limit is \$100,000 and Expanded Coverage Loan Policy limit is \$200,000.

Although the policy with the higher amount is the Loan Policy, the Owner's Policy Rate shall be used. The Rate for the first \$100,000 is \$460.00 (\$4.60/1,000) and the Rate for the next \$100,000 is \$390.00 (\$3.90/1,000), making \$850.00 the basic rate for \$200,000. An

additional \$170.00, which is the 20% rate for enhanced coverage, is calculated by multiplying the basic rate of \$850.00 by 1.2 which equals \$1,020.00. Together with the simultaneous issue Rate of \$25.00, the total Rate for the simultaneous issue of these policies is \$1,045.00.

E. Current ALTA Owner's Policy and ALTA Expanded Coverage Loan Policy

When an ALTA Owner's Policy and an Expanded Coverage Loan Policy are issued simultaneously and insuring the identical real property, they shall be treated as a single policy for Rate calculation purposes. The Rate, including any endorsements priced as a percentage, shall be based on the Owner's Policy Rate, in addition to a 20% Rate based on the amount of the policy with the highest limits, plus a \$25.00 simultaneous issue Rate.

F. ALTA Homeowner's Policy and Current ALTA Loan Policy

When an ALTA Homeowner's Policy and an ALTA Loan Policy are issued simultaneously and insuring the identical real property, they shall be treated as a single policy for Rate calculation purposes. The Rate, including any endorsements priced as a percentage, shall be based on the Owner's Policy Rate, in addition to a 20% Rate based on the amount of the policy with the highest limits plus a \$25.00 simultaneous issue Rate.

G. Endorsement Charges – Multiple Policies & Percentage Endorsements

The Rate for an endorsement shall be charged each time an endorsement is attached a policy regardless of the number of policies issued in a particular transaction; provided, however, the Rate for endorsements priced as a percentage shall only be made once in a transaction where multiple policies are issued in accordance with Section 3.12 (C). Where a leasehold interest is to be insured simultaneously with the interest of an owner and/or mortgagee of the fee simple real estate, the Rate for an endorsement priced as a percentage shall be 30% of the Rate for an endorsement priced as a percentage if issued with a policy insuring the interest of an owner and/or a mortgagee.

3.13 RESERVED FOR FUTURE USE

3.14 RESERVED FOR FUTURE USE

3.15 RESERVED FOR FUTURE USE

3.16 CO-INSURANCE – BASIS FOR CALCULATING RATE

In a transaction where the total liability is assumed by two or more Insurers with the liability being divided between the Insurers from the first dollar, the Rate for the liability assumed by each Insurer shall be calculated by applying the percentage of the liability assumed by each Insurer to the Rate for the total liability assumed under the policies issued by the Insurers. Co-Insurance coverage is provided through DTIRB-68 (ALTA Endorsement 23-06) or DTIRB-88 (ALTA Endorsement 23.1-06, as modified by DTIRB).
