

To: All District of Columbia Policy Issuing Agents of WFG National Title Insurance Company  
From: WFG Underwriting Department  
Date: December 14, 2022  
Bulletin No.: DC 2022-02  
Subject: Special Alert and General Reminder about Fraudulent and Forged Deeds

---

Effective immediately, all issuing offices are instructed not to accept any orders or close any transactions involving the following without the written approval from a WFG Underwriter:

**Duane McKinney**

**5412 67<sup>th</sup> Avenue Riverdale, Maryland**

**8130 Sheriff Road, Landover, Maryland**

**5855 Ager Road, Hyattsville, Maryland**

**7004 40<sup>th</sup> Avenue, University Park, Maryland**

WFG would also like to take this opportunity to remind all agents that fraud and forgery remain a significant issue for our industry. Fairfax County Virginia Police have reported four cases within the last week about attempted fraudulent sales of real estate involving vacant and uninhabited land in Clifton and Great Falls, Virginia that have elderly and/or out of town owners. The Maryland properties referenced above involve a deceased owner of record and an alleged fraudster that is purportedly posing as the decedent's son.

Please pay extra attention to recent no-consideration deeds, quit claim deeds, the use of a power of attorney that is not specific to a particular transaction, and transactions involving vacant land or unencumbered property. These are all considered red flags in the fraud and forgery context. If you feel uncomfortable about a particular transaction, please do not hesitate to contact your underwriter to discuss.
