

WFG Informational Bulletin

From: WFG Florida Underwriting Department
Date: April 27, 2016
To: All Florida Agents of WFG National Title Insurance Company
Bulletin No. FL2016-06
Subject: Data Call Reminder

THE NEXT DATA CALL IS DUE NO LATER THAN MAY 31st, 2016

This is a Reminder that the Data Call is an annual event. You must file a Data Call every year by May 31. So, the next Data Call is due no later than May 31st, 2016.

As referenced in our prior Bulletins:

1. The Data Call is mandatory for every title agency that had a Florida license in 2014 or acquired a Florida license thereafter (regardless of where physically located) and for every Florida-based, direct office of an insurer. Lawyers and law firms are exempt, but an attorney-owned title agency must submit the Data Call. Individual licensed agents (as distinguished from their agency) do not have to file.
2. The data call must be filed electronically through the Office of Insurance Regulation's (OIR) portal and Data Collection and Analysis Modules (DCAM) application. It can be accessed at: <https://apps8.fldfs.com/DCAM/Logon.aspx> [Ctrl + Click to follow link]. You will need your user name and password.
3. The Florida Land Title Association has compiled a list of Frequently Asked Questions. Those FAQ's are available online at: <http://www.flta.org/page-1756945> [Ctrl + Click to follow link].
4. Prior to the due date of the original data call last year, Alan Fields produced some very detailed training modules on how to get ready for the Data Call. While those training modules were designed to get you started with the data capture, they still provide useful information. Those materials can be accessed at: <https://wfgagent.com/webinars/> [Ctrl + Click to follow link]. After the WFG Agent site opens, you will need to scroll down to the 9th row of training modules to locate Alan's data call webinars.

Information Bulletins are designed to provide our agents with information we think will help in managing their business or just being better title professionals, but which does not rise to the level of being an underwriting mandate and are not within the scope of the agency agreement.
