Subject: Data Call Reminder

---

**THE NEXT DATA CALL IS DUE NO LATER THAN MAY 31, 2019**

This is a Reminder that the Data Call is an annual event. You must file a Data Call every year by May 31. The next Data Call is due no later than May 31<sup>st</sup>, 2019.

The Data Call is mandatory for every title agency that had a Florida license in 2014 or acquired a Florida license thereafter (regardless of where physically located) and for every Florida-based, direct office of an insurer. Lawyers and law firms are exempt, but an attorney-owned title agency must submit the Data Call. Individual licensed agents (as distinguished from their agency) do not have to file.

In 2018, the Florida Office of Insurance Regulation (FOIR) created a new online system for submission of the data. This new data submission system, which is titled the "Insurance Regulation Filing System" (IRFS), replaced the Data Collection and Analysis Modules (DCAM). Filing Instructions and Information regarding IRFS may be accessed at the following link:

<https://www.floir.com/siteDocuments/TitleFilingInstructions.pdf>

If you already have an IRFS account, you can login to IRFS at the following link:

<https://irfs.fldfs.com/>

If you do not have an IRFS account, you will need to create an account at the forgoing link.

The FOIR has posted Frequently Asked Questions and other information on its website, which may be accessed at the following link:

Questions may be directed to OIR at: [TitleAgencyReporting@floir.com](mailto:TitleAgencyReporting@floir.com)

*Information Bulletins are designed to provide our agents with information we think will help in managing their business or just being better title professionals, but which does not rise to the level of being an underwriting mandate and are not within the scope of the agency agreement.*
