From: WFG Underwriting Department  
Date: December 12, 2019  
Bulletin No.: FL 2019-14  
Subject: Revised Data Call Template for Agents

---

On December 10, 2019, the Florida Land Title Association issued its Newsletter regarding various events and projects that the FLTA has been involved in. The third item in the Newsletter discusses the new agent Data Call template that was approved by the Financial Services Commission on Dec. 3, 2019. The FLTA has been working with OIR on improvements to the Data Call template for a long time. According to the FLTA Newsletter, the plan is for the final version of the template to be made available in late January 2020 for collection of the 2019 data.

The Data Call does not apply to attorney agents unless the attorney is operating a corporate title agency.
