To: All Florida Policy Issuing Agents of WFG National Title Insurance Company  
From: WFG Underwriting Department  
Date: February 21, 2020  
Bulletin No.: FL 2020-05  
Subject: Revised Data Call Template for Agents

---

On February 19, 2020, the Florida Land Title Association issued its Newsletter regarding various events and projects that the FLTA has been involved in. The first item in the Newsletter confirms that the new agent Data Call template is now available from the Florida Office of Insurance Regulation. This new version of the Data Call template should be used to collect the 2019 data. May 31, 2020 falls on a Sunday so the 2019 Data Call is not due until June 1, 2020.

The Data Call does not apply to attorney agents unless the attorney is operating a corporate title agency.

*Information Bulletins are designed to provide our agents with information we think will help in managing their business or just being better title professionals, but which does not rise to the level of being an underwriting mandate and are not within the scope of the agency agreement.*
