## 1 INTRODUCTION

The rules and procedures contained in this manual are in no manner, either express or implied, to be construed as establishing or changing the underwriting standards or rules and procedures pertaining to title and escrow practices followed by the Company and its agents. They are shown solely to properly apply the applicable rates, charges and fees.

The rates for title insurance policies and endorsements issued by Agents and/or Employees of WFG National Title Insurance Company (“WFGNTIC”) are set forth in this manual. The rates shown are the total title insurance fees charged for the risk portion. Title insurance fees do not include charges for title search, surveys, escrow, closing services, settlement services, recording fees, other charges, or other monies advanced on behalf of an applicant.

### **Agent Reporting of Title Policies and Premium**

In accordance with the Georgia Department of Insurance’s instructions, please be advised that you must remit your percentage split based upon the total title insurance premium paid by the consumer. WFGNTIC must pay premium tax on the portion retained by the agent, as well as the premium received by WFGNTIC. Penalties may be imposed by the Georgia DOI for inaccurate reporting of premium by agent.

**In addition, these published rates are the rates that you are required to charge and on which your remittances must be made in accordance with O.C.G.A. 33-6-5 (6)(B)(i).**

**The rates reflected in this manual are for Residential Property (1 to 4 family) only.**

### 4.3 ALTA U.S. POLICY FORM

## 6 SIMULTANEOUS ISSUE RATES

### 6.1 OWNERS AND LOAN POLICIES

When an owner's policy (including one insuring a leasehold interest) and one or more loan policies are issued simultaneously, the owner's policy will be charged at the applicable rate for the type of owner's policy being issued as set forth in Chapter 4 each loan policy(s) will be charged at a fee of \$200.00 per loan policy issued. The premium on the amount of the lender's coverage exceeding the owner's policy is calculated at the original loan premium rates as set for in the Basic Rate Table in Section 3.

This simultaneous issue rate applies only when the Company is concurrently issuing two or more policies insuring the same property.

### 6.2 MULTIPLE LOAN POLICIES

When two or more loan policies of the same type are issued simultaneously, the individual loan policy liabilities shall be aggregated and that aggregate liability amount will be used to calculate the title premium applicable to the type of loan policy being issued.

When an Expanded Coverage loan policy is issued simultaneously with a Standard Coverage loan policy, title premium will be computed on the mortgage or deed of trust intended to be recorded first based on the type of loan policy to be issued on the senior mortgage. The premium for each subsequent loan policy will be computed based on the incremental insured value over and above the amount of the prior loan(s) as if the prior loan policy(s) was of the same type.

This simultaneous issue rate applies only when the Company is concurrently issuing two or more policies insuring the same property.

### 6.3 OWNERS & LEASEHOLD POLICIES

When an owner's policy insuring the fee ownership and an owner's policy insuring a leasehold interest are issued simultaneously, the owner's policy insuring the fee interest will be charged at the applicable rate for the type of owner's policy being issued, as set forth in Chapter 4. The policy insuring the leasehold interest will be charged at 30% of the applicable rate for the type of policy(s) being issued covering the leasehold policy. The minimum charge for a concurrent policy insuring a leasehold interest shall be \$300.00.

This simultaneous issue rate applies only when the Company is concurrently issuing two or more policies insuring the same property.

### 6.4 COMBINATIONS OF OWNERS, LEASEHOLD & LOAN POLICIES.

When other combinations of policies are issued simultaneously, the owner's policy insuring the fee interest will be charged the applicable rate for the type of owner's coverage being issued as set forth in Chapter 4, and the remaining policies will be issued at the simultaneous issue rates set forth in sections 6.1, 6.2 or 6.3, as applicable.

# WFG NATIONAL TITLE INSURANCE COMPANY

## 7 ENDORSEMENTS

When issued in conjunction with a TRID transaction, any endorsements may be issued for a loan policy without additional charge as set forth in Section 7.1 with exception for the endorsements set out in 7.3. Endorsements for owners' policies and in a non-TRID Transaction, for loan policies shall be issued for the charges set forth in Section 7.2 and 7.3.

All of the endorsements alter the regularly issued policies in some manner to expand, limit or clarify coverage(s).

### 7.1 Endorsements to Loan Policy in TRID Transactions

When issued in conjunction with a TRID transaction, any Endorsements may be issued for a Loan Policy without additional charge except for Zoning endorsement and Manufactured Housing Unit endorsement as set forth in 7.3.

Endorsements may be issued ONLY (a) if applicable to the specific facts of the transaction and the property to be insured; (b) if not duplicative with the coverage of another endorsement being issued on a given policy; and (c) as to each endorsement, upon meeting all applicable underwriting guidelines for the endorsement.

### 7.2 Endorsements to Owner's Policies and Loan Policies in Non-TRID Transactions

Each endorsement to any policy other than a loan policy issued in connection with a TRID Transaction shall be issued for the additional premium set forth in the table below. Where the table refers to a percentage figure, the premium for the endorsement will be the stated percentage of the greater of:

- the premium computed for the policy to which the endorsement is to be attached taking into account any applicable discounts; or
- if the premium the policy to which the endorsement is to be attached is computed at Simultaneous Issue rates under Chapter 6, the premium which would have applied to the policy had it not been issued at Simultaneous Issue rates.

### 7.3 General Rules

Many of the endorsements are not priced for some of the policy forms because of: 1) infrequency of use, 2) wide range of risks, and/or 3) the form was designated to be attached to a specific policy but can be modified for other policies. If any of these coverages are desired, such requests shall be considered a "unique requirement". Additional charges will be made when unusual conditions of title are encountered, or when special risks are insured against, or when special services are requested.

All endorsements to furnish special coverage, other than those referenced below, will be issued subject to Underwriting practices for a charge based on a percentage of the rate applicable to the policy on which the endorsement is written, commensurate with the risk to be assumed by the issuance of such endorsement.

# WFG NATIONAL TITLE INSURANCE COMPANY

the premium rate for the zoning endorsements shall be \$.25 per \$1,000 of insurance.

## 8 CLOSING PROTECTION LETTER COVERAGE

### 8.1 CLOSING PROTECTION LETTER COVERAGE

This coverage, which is limited to a specific transaction and is subject to the provisions contained therein, pursuant to the provisions of Georgia Code 33-7-8.1, protects and provides coverage to the Buyer/Borrower, Lender, and/or Seller (covered party) against fraud, theft, dishonesty, or negligence in handling settlement funds or documents in connection with a (real estate) closing. This protection is apart and in addition to the coverage provided under the title insurance policy; however a title insurer may issue closing protection letters only for real estate transactions where its title insurance policies are issued and where its issuing agent or agency is also responsible for the disbursement of settlement funds. The election for this additional coverage must be made prior to or at the time of closing.

The following charges to each party within a single transaction, if applicable, for issuance of this coverage is as follows:

\$50.00 for Lender  
\$50.00 for Buyer/Borrower  
\$50.00 for Seller

## **9 SPECIALTY LENDER'S POLICIES**

### **9.1 APPLICABLE PROVISIONS AND RESTRICTIONS**

Lender's Special Rates are only made available to selected lenders who not only provide a high volume of business to the Offering Provider but work with the Offering Provider to develop systems, processes and computer integrations, centralized order processing and tracking, and other controls and economies of scale that enable a more highly efficient, lower cost provision of title services and insurance. The Lender's Special Rates are only available when ALL of the following conditions are met.

- Lender's Special Rates are available only for a Finance Loan. Lender's special rates are not available at the time of an initial purchase of the property.
- The property insured must be a one-to-four family residential property.
- The loan to be made is intended to be placed in a first mortgage lien position as to the property.
- The insured loan amount does not exceed the maximum liability in the appropriate rate tables as set for in Section 9.3.
- The Offering Provider has in place or is developing centralized electronic order processing and tracking capabilities and/or systems integrations to service the lender.
- The order must be opened electronically and escrow functions (if any) are performed by the Offering Provider.
- All parties must agree to accept a title search, Preliminary Title Report and/or title commitment issued in contemplation of the issuance of an ALTA Short Form Policy or other loan policy that includes general exceptions in regards to Taxes and Assessments, Easements, and Covenants, Conditions and Restrictions.

The Offering Provider has entered into an addendum to their agency agreement or a separate agreement with the Company specifically authorizing it to provide Lender's Special Rates to certain enumerated lenders.

### **9.2 AGGREGATION OF ORDERS FOR RATE CATEGORIES**

The Lender's Special Rates are to recognize and encourage the greater efficiencies and economies of scale that can result from the development of highly integrated and automated systems and work-flows both within the Offering Provider and between the Offering Provider and lender.

In order to qualify for Lender's Special Rates, the lender and Offering Provider will discuss their respective needs; develop plans for workflows and systems to efficiently transmit, receive and process the title orders and as to any changes in processes required and systems to be integrated. At that point, they will reach agreement as to the Lender's Special rate category to be provided the lender, and an understanding that, consistent with the vagaries of the ever-changing refinance lending market, the lender will endeavor in good faith to provide the Offering Provider title orders meeting the minimum number required to qualify for the agreed rate category, subject to any agreed ramp-up periods.

As economies of scale are best achieved on a nationally integrated basis, for purposes of meeting agreed minimums, all orders placed by the lender and any of its affiliates to Offering Provider and Offering Provider’s affiliates in any jurisdiction may be aggregated.

As rules and regulations of the Consumer Finance Protection Bureau (CFPB), 12 C.F.R. part 1026 require lenders to provide accurate estimates of title and closing costs well in advance of closing and to abide by those estimates, the failure of a lender to strictly meet estimated minimum volumes for a given rate category in any given month or months, shall not disqualify the lender from being accorded the benefit of the agreed upon rate category until such time as the lender and Offering Provider have amended their agreement.

- \$75.00 per transaction for residential home equity loans over \$250,000 and up to \$500,000.
