REMINDER – WFG Over the Limit Request Quick Online System

To all of our Indiana agents,

As a reminder, in keeping with WFG's primary goals of helping you take the time and cost out of real estate transactions and offering you efficient technology options, **WFG has developed a quick, intuitive system for submitting Over the Limit (OTL) Requests to underwriters that exists *entirely online***. The system is designed to:

- eliminate the need to complete a paper Over the Limit Request Form, scan and email it to us,
- shorten the time it takes you to submit an OTL request,
- limit the use of paper, and
- route your request through an accountability system that will provide status updates, thus providing improved communication.

Please see attached Underwriting Bulletin that was initially distributed on December 4, 2015.

Information Bulletins are designed to provide our agents with information we think will help in managing their business or just being better title professionals, but which does not rise to the level of being an underwriting mandate and are not within the scope of the agency agreement.
