Subject: Missouri Case.net: Business Entity Search Issue

WFG has learned about an issue in Missouri Case.net affecting the ability to accurately search business entities by name. Searches of business names may not return accurate results. Our understanding is that the issue began on Friday, November 22, 2024, and the Office of the State Courts Administrator is working on a solution.

Until this issue with Case.net has been resolved, please have an affidavit and indemnity executed by all parties to the transaction. [\[Click here to download the Affidavit and Indemnity form.\]](#)

We hope everyone has a safe and happy Thanksgiving and, as always, we appreciate your business.
