Subject: ALTA Phishing Email Attempt

---

To All WFG Agents and WFG Offices,

One of our agents received the [attached](#) email which appears to come from ALTA CEO Michelle L. Korsmo. The problem is that Michelle L. Korsmo stepped down as ALTA CEO several months ago to pursue other opportunities. Additionally, the genius phisher forgot to include the attachment to the phishing email. Pay particular attention to the improper grammar used in the body of the email. Please do not open any emails or attachments that come from Michelle L. Korsmo from ALTA. Remember to take your time and to carefully review all emails to make sure that they are legitimate.

If you are uncertain as to the legitimacy of an email, please contact WFG's information security department at [infosec@willistonfinancial.com](mailto:infosec@willistonfinancial.com) or [spam@willistonfinancial.com](mailto:spam@willistonfinancial.com).
