

WFG Informational Bulletin

To: All Policy Issuing Agents of WFG National Title Insurance Company
From: WFG Underwriting Department
Date: April 6, 2020
Bulletin No.: NB 2020-07
Subject: CARES Act

Congress recently passed the CARES Act and FFCRA which provide significant relief to small businesses. In the interest of our agents' business well-being please find a link to an alert published by the law firm Saul Ewing Arnstein & Lehr LLP as to the types of relief available to small businesses under the act.

The alert is entirely the work product of the Saul Ewing Arnstein & Lehr LLP law firm and any questions or assistance they can provide should be addressed to the authors of the alert as appear at its end or to Francis "Trip" Riley at francis.riley@saul.com.

We hope you will find it useful in these challenging times.

Information Bulletins are designed to provide our agents with information we think will help in managing their business or just being better title professionals, but which does not rise to the level of being an underwriting mandate and are not within the scope of the agency agreement.
