RE: Revised Rate Manual and Form Filing for WFGNTIC, Nevada

Please be advised that WFG National Title Insurance Company has submitted to the Nevada Department of Insurance a request for approval of a revised and updated Rate and Rule Manual and Form Filing. This Rate and Rule Manual has been given an effective of **February 27, 2015**. The Nevada DOI has not yet responded with their final approval, but this filing will be deemed approved if no formal response from the Nevada DOI is received by the above date. Based on the anticipation of approval, as of that date, please discard the current Rate and Rule Manual for Nevada and begin using the new rates, as contained in the new manual attached hereto. The rates contained in this new Manual will be programmed into the appropriate electronic systems and rate calculators and should be available soon.

This new Rate and Rule Manual contains several new policy, guarantee and endorsement products that are required to be filed before they are used. The included Form Filing should also be approved and will become effective as of February 23, 2015. A list of the new and/or updated forms is also attached for your information.

If you should have any questions or concerns, please contact your local management or WFG Agency Support. An electronic copy of this revised and updated Rate Manual will be uploaded to the WFG Underwriting webpage (<http://wfgunderwriting.com/>) and can be reviewed there.

If you have any specific questions about the content of this manual, please contact me at rwilliams@wfgnationaltitle.com.
