BULLETIN No.: NM – 2014-02

SUBJECT: Agency Business License Renewals

The deadline for renewing New Mexico Business Entity Licenses is April 30. Although the Office of the Superintendent of Insurance originally believed that Business Entity Licenses could be renewed electronically through the National Association of Insurance Commissioners (NAIC) computerized system known as the National Insurance Producer Registry (NIPR).

However, according to Lorinda Martinez in Agency Licensing Bureau Chief, electronic renewal of New Mexico Business Entity Licenses is not available through the NIPR system. Lorinda requests that each title insurance agency holding a Business Entity License contact her by email at lorinda.martinez@state.nm.us to request a Business Entity License renewal package. She will email the renewal package to you, which you print, complete and return to her.
