Subject: New York City Department of Finance- Real Estate Tax Information System

Please be advised that the New York City Department of Finance has initiated a new system for real estate tax information in the five boroughs of New York City. The New York State Land Title Association was informed that this new program for real estate tax information would begin on March 4, 2019.

This was a surprise to everyone. Please be aware that issues with the new system may impact service companies doing work in the five boroughs. We have been informed that the Department of Finance is working on fixing any problems with the system and we will continue to keep you informed of any new information that becomes available.

Information Bulletins are designed to provide our agents with information we think will help in managing their business or just being better title professionals, but which does not rise to the level of being an underwriting mandate and are not within the scope of the agency agreement.
