

WFG Informational Bulletin

To: All New York Policy Issuing Agents of WFG National Title Insurance
From: WFG Underwriting Department
Date: May, 23 2019
Bulletin No: NY 2019-11
Subject: Title Action Network and Lobby Day

The Title Action Network (TAN) is an influential grassroots organization promoting the title Insurance Industry. In the current regulatory environment it is vital that we do everything we can to support our industry. TAN is free and it only takes a few minutes to sign up. Once you join you will receive alerts that affect our industry.

We are currently working to show support for a bill that has been introduced in both the New York State Assembly and the State Senate and would remove the most limited restrictions of Regulation 208 on meeting with clients and enjoying a meal or beverage.

Please note that if you have joined TAN in the past and have been inactive for a year or more you will need to re-join. You can join by clicking [HERE](#) from the NYSLTA or directly on the [ALTA website](#).

In addition to joining TAN, we have an opportunity to speak directly to our legislators in Albany on this bill and several others which directly affect our industry. Please consider signing up for [Lobby Day](#), Wednesday June 5th. Together we can make a difference!

Information Bulletins are designed to provide our agents with information we think will help in managing their business or just being better title professionals, but which does not rise to the level of being an underwriting mandate and are not within the scope of the agency agreement.
