

To: All New York Policy Issuing Agents of WFG National Title Insurance Company
From: WFG Underwriting Department
Date: June 4, 2019
Bulletin No: NY 2019-13
Subject: Reminder- Deadline for Agent License Renewal

Reminder: The deadline to renew your business entity license is June 30, 2019.

New York Insurance Law requires that an entity license be renewed every two years prior to its expiration, on June 30th of odd numbered years. Title agent entity licenses are now available to renew on the DFS portal <https://myportal.dfs.ny.gov/nylinxext/> and must be renewed by the June 30, 2019 deadline.

Please note that this applies to entity licenses only. Individual licenses are renewed every two years on the individual's birthday in odd or even years based on their birth year.

In addition, every licensee must complete 15 credits of Continuing Education (CE) during each two year licensing period. All courses must be completed through a Provider Organization approved by the New York State Department of Financial Services. Approved providers can be found on the DFS website. If you are an agent based outside of New York State the Superintendent will waive CE requirements if the applicant's home state awards nonresident licenses to New York residents.

Information Bulletins are designed to provide our agents with information we think will help in managing their business or just being better title professionals, but which does not rise to the level of being an underwriting mandate and are not within the scope of the agency agreement.
