In these difficult times it is crucial that valuable information be shared. As such please be advised that the New York State Land Title Association has generously provided a "Business Resources" page which contains links to various organizations such as the US Small Business Administration, ALTA and other entities which can help title agents weather the storm.

More information can be found here:

In addition, another excellent source of information, updated in real time from the NYSLTA, can be found here: <https://nyslta.site-ym.com/blogpost/1230749/News-Blog>

As always, if you have any questions or comments please feel free to contact us.

Information Bulletins are designed to provide our agents with information we think will help in managing their business or just being better title professionals, but which does not rise to the level of being an underwriting mandate and are not within the scope of the agency agreement.
