Subject: Agent Information Added to Policy Jacket Covers

---

We are pleased to announce that WFG has added your agency information to the policy jacket cover. Going forward, each time you generate a policy jacket in WFG's Policy Jacket Generator, AMS2, or in an integrated production software, your company name and address will appear on the left side of the jacket cover.

We will continue to listen to your feedback. Please feel free to contact us anytime with questions, concerns and ideas that will help maximize your business.

*Information Bulletins are designed to provide our agents with information we think will help in managing their business or just being better title professionals, but which does not rise to the level of being an underwriting mandate and are not within the scope of the agency agreement.*
