Bulletin No: NY 2021-24
Subject: New York Agent Authorization Letters

We have great news! We have updated the Agent Authorization letter request on our WFG Agent Website. Starting July 26, 2021, you will be able to request an Agent Authorization letter for either an individual transaction or a “blanket” letter for a specific lender on a New York transaction.

In addition, the dropdown has been updated to show the letter as an Agent Authorization Letter (instead of a CPL) for agents issuing titles in New York. Just log into WFG Agent and select the Authorization letter in the “create” dropdown menu. You will then have the option to choose either an agent authorization letter for a specific transaction or a blanket agent authorization letter, which you can print and/or email directly to the lender.

We are listening to your feedback and will continue to make changes based on your needs. Please feel free to contact either your Agency Representative or Underwriting Counsel at any time with questions or comments.

Information Bulletins are designed to provide our agents with information we think will help in managing their business or just being better title professionals, but which does not rise to the level of being an underwriting mandate and are not within the scope of the agency agreement.
