---

The Rye City Council has adopted Local Law 4-2021. Enforcement of this law will begin on **January 1, 2022** and will require real property owners to obtain an inspection from the City Building Department prior to the transfer of title to any real property in the City of Rye. This will insure that the private sewer line extending from a residence to a public sewer line is operating correctly.

If you have any questions, please feel free to contact our counsel at any time.

*Information Bulletins are designed to provide our agents with information we think will help in managing their business or just being better title professionals, but which does not rise to the level of being an underwriting mandate and are not within the scope of the agency agreement.*
