From: WFG Underwriting Department
Date: September 12, 2021
Bulletin No: NY 2021-02
Subject: Suffolk County Web-Based Applications

Access to the Suffolk County Clerk's email and web-based applications have been taken offline due to a possible cybersecurity breach. As a result, this will interrupt the ability to conduct proper searches. It is anticipated that the intrusion will be resolved by Wednesday, September 14, 2022.

For any transactions closing during this time, please contact underwriting counsel to discuss, as each file will be reviewed on a case-by-case basis.

Information Bulletins are designed to provide our agents with information we think will help in managing their business or just being better title professionals, but which does not rise to the level of being an underwriting mandate and are not within the scope of the agency agreement.
