

To: All New York Policy Issuing Agents of WFG National Title Insurance Company
From: New York Underwriting Department
Date: February 16, 2024
Bulletin No: NY 2024-04
Subject: Cybersecurity Regulations – Compliance Certification

The deadline for filing the Certification of Compliance with the Cybersecurity Regulations is April 15, 2024. All covered entities and licensed persons, who are not “fully exempt” from the Cybersecurity Regulation, are required to submit the Certification attesting to their compliance for the 2023 calendar year. Instructions can be found on the DFS website.

Please note that while many title insurance agents have an exemption, they may not be fully exempt and therefore are required to file the annual certification.

Any questions should be directed to cyberregsupport@dfs.ny.gov.

Information Bulletins are designed to provide our agents with information we think will help in managing their business or just being better title professionals, but which does not rise to the level of being an underwriting mandate and are not within the scope of the agency agreement.
