

To: All New York Issuing Agents of WFG National Title Insurance Company
From: New York Underwriting Department
Date: March 7, 2024
Bulletin No: NY 2024-06
Subject: Title Insurance Rate Service Association, Inc. 2023 Data Call

Please be advised the 2023 Data Call is due by March 18, 2024. If you have not yet submitted your Data Call for the 2023 calendar year, please do so as soon as possible.

We cannot stress enough the importance of submitting the Data Call in a timely manner. The Department of Financial Services ("DFS") requires all title insurance underwriters in New York State to report any agents who fail to file the Data Call.

We are sending you this reminder in order to keep the best interests of our agents in mind and to comply with DFS requirements. If you have already sent in your Data Call, you may ignore this reminder. If you have not yet sent it in, please make sure we receive it no later than March 18th.

For your convenience a copy of the original bulletin [NY 2024-03 can be found here](#).

Thank you to all agents for your cooperation.

Information Bulletins are designed to provide our agents with information we think will help in managing their business or just being better title professionals, but which does not rise to the level of being an underwriting mandate and are not within the scope of the agency agreement.
