Subject: Cybersecurity Regulations – Compliance Certification

---

The deadline for filing the Certification of Compliance with the Cybersecurity Regulations is April 15, 2025. All covered entities and licensed persons, who are not “fully exempt” from the Cybersecurity Regulation, are required to submit the Certification attesting to their compliance for the 2024 calendar year. Instructions can be found on the DFS website: [DFS Portal\[myportal.dfs.ny.gov\]](https://myportal.dfs.ny.gov)

You can also find detailed instructions on how to file the Certification of Material Compliance or the Acknowledgment of Noncompliance on the Cybersecurity Resource Center in the section titled “[Submit a Compliance Filing \[dfs.ny.gov\]](https://dfs.ny.gov)”.

Step-by-step instructions for complying with the Cybersecurity Regulation can be found in the “Producers, Individual Licensees, and Small Businesses [dfs.ny.gov]” section on the Cybersecurity Resource Center.

Please note that while many title insurance agents have an exemption, they may not be fully exempt and therefore are required to file the annual certification.

Any questions should be directed to [cyberregsupport@dfs.ny.gov](mailto:cyberregsupport@dfs.ny.gov).

*Information Bulletins are designed to provide our agents with information we think will help in managing their business or just being better title professionals, but which does not rise to the level of being an underwriting mandate and are not within the scope of the agency agreement.*
