

To: All New York Policy Issuing Agents of WFG National Title Insurance Company
From: WFG Underwriting Department
Date: April 9, 2025
Bulletin No.: NY 2025-03
Subject: Title Insurance Rate Service Association, Inc. 2024 Data Call Reminder

Please be advised the 2024 Data Call is due by April 21, 2025. If you have not yet submitted your Data Call for the 2024 calendar year, please do so as soon as possible.

We cannot stress enough the importance of submitting the Data Call in a timely manner. The Department of Financial Services ("DFS") requires all title insurance underwriters in New York State to report any agents who fail to file the Data Call. We are sending you this reminder in order to keep the best interests of our agents in mind and to comply with DFS requirements.

If you have already sent in your Data Call, you may ignore this reminder. If you have not yet sent it in, please make sure we receive it no later than April 21st. For your convenience a copy of the original bulletin NY 2025-01 can be found here: [WFG Informational Bulletin NY 2025-01](#)

Thank you to all agents for your cooperation.

Information Bulletins are designed to provide our agents with information we think will help in managing their business or just being better title professionals, but which does not rise to the level of being an underwriting mandate and are not within the scope of the agency agreement.
