SECTION 2: GENERAL PROVISIONS

- GP-1.** The general provisions, rules, rates and forms contained herein are in compliance with Ohio Revised Code Sections 3935.04 and 3953.28.
- GP-2.** The effective date of the general provisions, rules and rates was May 1, 2007.
- GP-3.** The rates set forth herein shall be observed by all policy issuing agents and offices of a Member or Subscriber.
- GP-4.** The rates set forth herein do not include any charge made for title search, title examination, closing, or escrow services performed by the Insurer, or any of its approved attorneys or agents. Charges made for such services are in addition to the rates and charges set forth herein.
- GP-5.** Rates are applicable to units of insurance in multiples of \$1,000.00 or fractions thereof.
- GP-6.** Notwithstanding any provisions herein to the contrary, the Company which would otherwise be obligated to issue its policy of title insurance, at a rate below original rates set out herein, may refuse to issue at such rate but may issue at original rates if it notifies the insured in writing of the insured's right to the reduced rate and secures from him a written waiver of that right and request that the Company issue at original rates. Nothing herein shall be construed as affecting the Insurer's absolute right to decline to insure any risk it deems in its sole discretion, to be unacceptable.
- GP-7.** If the form of commitment or policy to be issued would otherwise afford protection against adverse condition(s) as revealed by an underwriting analysis and study of a specific risk, which adverse condition(s) would otherwise render the risk unacceptable to the underwriter, the commitment or policy may, nevertheless, be issued with specific exception to the unacceptable condition(s) without rate credit or additional charge, except such as may be otherwise provided in this manual of rates.
- GP-8. DEFINITIONS:** As used herein the following terms shall have the meaning set forth as follows:
- (a) Land, Premises or Property: Unless otherwise set forth in the policy of title insurance, the land described, specifically or by reference, and improvements affixed thereto which by law constitute real property.
 - (b) Mortgage: Mortgage, Deed of Trust, Trust Deed, or other security instrument relating, at least in part, to Land.

- (c) Insured: The person named in the policy of title insurance, as the insured or guaranteed party, as the case may be.
- (d) Insurer: A title insurance company qualified to do business in the State of Ohio, which company is a member or subscriber of the Ohio Title Insurance Rating Bureau.
- (e) Full value of land: Actual purchase price or, if no sale is involved, full fair market value as may be agreed upon between the Company and the proposed insured based on normally accepted methods of valuation.
- (f) Full value of leasehold estates: The aggregate of the rentals payable under the primary term of the lease or the full value of the land, whichever is less.
- (g) Full principal debt: That part of the mortgage debt that is secured by land, excluding there from that part of the debt, if any, secured by personal property.
- (h) Identical land: The land or any part thereof described in a policy of title insurance.
- (i) Simultaneous issue: Two or more policies or endorsements issued on identical land out of the same transaction by the same Insurer or its Licensed Agent(s). The effective dates of the policies or endorsements do not have to be the same in order to qualify for a simultaneous issue; however, if the effective dates are not the same, such policies or endorsements must have been able to have been issued the same day.
- (j) Rate: That cost per unit of insurance which, when multiplied by the total units of liability, results in the charge for the risk assumed.
- (k) Applicable Rate: That rate, being either the Original Rate, the Reissue Rate or the Refinance Rate, to be charged with respect to new policies or Endorsements in accordance with the provisions of the appropriate Rate Rules.
- (l) Original Rate: The Rate then in effect for new policies or endorsements issued without regard to or application of any credits, discounts or reductions for reissue, refinance, simultaneous issue or otherwise circumstances which lower such rate.
- (m) Reissue Rate: That rate charged to new policies or qualifying endorsements or portions of amounts of new policies or endorsements, to the extent such policies or endorsements qualify for Reissue Rates under applicable Rate Rules.

- (n) Refinance Rate: That rate charged to policies or endorsements qualifying for Refinance Rates under applicable Rate Rules.
- (o) Residential Property: Property in which the owner resides or intends to reside and consists of any of the following: (i) Land improved by a one to four family residential structure with all improvements on the land related to residential use; (ii) unimproved land located within a residential subdivision; or (iii) a residential condominium unit.
- (p) Effective Date: The date approved by the Ohio Department of Insurance for the implementation of new or amended rate and form filings for new title orders received on or after said date.

GP-9 Rates set forth herein for policies do not include endorsements, which may bear additional rates. No policy or endorsement shall be issued for a rate less than a stated minimum rate or minimum premium notwithstanding any rate rule regarding reissue, refinance or simultaneous issue.

GP-10 The descriptions and section titles located in this manual are utilized merely for convenience. Those descriptions and section titles are not part of the rule and do not alter, limit or extend the coverage provided by the policy.

When an Owner's Fee Policy and an Owner's Policy with Leasehold endorsement covering identical land are issued simultaneously, the rate for an Owner's Fee Policy shall be the Applicable Owner's Rate. The rate for each Owner's Policy with Leasehold endorsement so simultaneously issued shall be 30% of the Original Rate for an Owner's Policy up to the amount of the Owner's Fee Policy, the minimum premium being \$225 for each Owner's Policy with Leasehold endorsement. The rate on the amount of each Owner's Policy with Leasehold endorsement in excess of the Owner's Fee Policy is the Original Rate for Owner's Policy in the applicable bracket or brackets for such excess amount.

PR-3 SIMULTANEOUS ISSUANCE OF TWO OWNER'S POLICIES INSURING THE FEE TITLE

In cases where simultaneous issue Owner's Policies having the same face amount of liability are issued to the purchaser and the seller, the first policy shall be issued for the applicable owner's rates and the second policy will be issued for an additional 30% of the Original Rate. The minimum premium for each policy shall be \$225.

PR-4 REISSUE RATE APPLICABLE FOR FEE OWNER'S OR LEASEHOLD OWNER'S POLICIES

Provided that the transaction qualifies for reissue rate as provided hereinafter and provided, further, that the Company is notified that a prior policy has been issued by a title insurance company licensed in Ohio and is furnished a copy of said policy or other information sufficient to enable the Insurer to identify said prior policy upon which reissue is requested, the new policy will be issued for 70% of the Original Rate for Owner's Policies. If otherwise applicable, the reissue rate shall apply up to the face amount of the previous policy. If more insurance is required under a reissue policy than was written in the original policy, the amount in excess shall be the Original Rate under the applicable bracket or brackets for such excess amount.

The minimum premium for any policy shall be \$225 for Standard Owner's Policies and \$250 for Homeowner's Policies.

Reissue rate is applicable in the following circumstances:

- (a) If the seller or lessor is an insured under an Owner's Policy of title insurance, and said policy has been outstanding for less than ten (10) years, a new policy may be issued to the new purchaser or lessee for the reissue rate stated above, up to the face amount of the previous policy. Any insurance in excess of the prior policy will be provided at the Original Rate in the applicable bracket or brackets for such excess amount. Such rate shall not apply to an insured lessee applying for an Owner's Policy. See Section 5 hereafter.
- (b) When the insured under a Loan Policy of title insurance acquires title by foreclosure or by voluntary conveyance in extinguishment of debt, such insured or the designee for the benefit of such insured shall be entitled to the reissue rate for Owner's Policy of title insurance up to an amount equal to the face amount of the prior Loan Policy of title insurance. Any insurance required in excess of the prior Loan Policy of title insurance will be provided at the Original Rate for Owner's Policy for any excess amount.

**PR-8 ORIGINAL TITLE INSURANCE RATE FOR LOAN POLICIES AND
