Subject: **Luzerne County Outage - Update as of Thursday, June 20, 2019**

Here's the latest on the situation in Luzerne County as of Thursday, June 20, 2019:

An Update from The Pennsylvania Land Title Association (PLTA)

- Luzerne County officials have advised that all systems are functional as of the afternoon of June 19, 2019. Yesterday, the Assessment and Recorder's Offices began processing documents left for recording. Documents left for recording during the outage will be recorded in order and will reflect the date they were left for recording.

We will continue to provide updates as new information becomes available.

Information Bulletins are designed to provide our agents with information we think will help in managing their business or just being better title professionals, but which does not rise to the level of being an underwriting mandate and are not within the scope of the agency agreement.
