**RE:** Revised and Updated Rate Manual for WFGNTIC, Tennessee

---

Please be advised that on Thursday, July 3, 2014, the WFG National Title Insurance Company revised and updated Rate and Rule Manual for the State of Tennessee will become effective. As of that date, please discard any previous manuals and begin using the new rate manual. The rates contained in this new manual are being programmed into the appropriate electronic systems and rate calculators and should be available soon.

This Rate Filing includes numerous new products, including policies, guarantees and endorsement, not previously available in Tennessee. As the State of Tennessee does not require Form Filings, the new forms will be available from the Agency Support staff as soon as the rates become effective.

If you should have any questions or concerns, please contact your local management or WFG Agency Support. An electronic copy of this revised and updated Rate Manual will be uploaded to the WFG Underwriting webpage (<http://wfgunderwriting.com/>) and can be reviewed there. WFG Agency Support can also assist you with obtaining the new forms now available.

If you have any specific questions about the content of this manual, please contact me at [rwilliams@wfgnationaltitle.com](mailto:rwilliams@wfgnationaltitle.com).

**NOTE:** This Bulletin is intended for use by title issuing office, title insurance agents and approved attorneys of WFG National Title Insurance Company and reliance by any other person or entity is unauthorized.
