

WFG Rate and Form Bulletin

To: All Virginia Policy Issuing Agents of WFG National Title Insurance Company
From: WFG Underwriting Department
Date: August 13, 2020
Bulletin No: VA 2020-03
Subject: Title Insurance Premium rates effective 15 September 2020

WFG National Title Insurance Company has revised its Rate Manual for policies issued on property in Virginia. The new rates should be implemented by all agents for orders received on or after 15 September, 2020. Please be sure that your system is updated and that you discontinue use of the old rates for all orders received on or after the effective date.

Although there has been a complete rate revision for all policies, a major change with this rate manual is a premium for many endorsements for which WFG had not charged in the past. Most endorsements to residential policies are still without additional premium, but agents should consult the table to determine if any particular endorsement carries with it a fee for issuance.

The complete rate manual may be found here:

Agents are advised to contact their software providers to update their title insurance premium calculations.
