From: Randy Williams, National Rate Administrator  
Date: July 1, 2016  
Bulletin No: WA2016-01  
Subject: Rate Filing for WFGNTIC, Washington

---

Please be advised that a completely revised Manual of Rates and Rules for the State of Washington was filed by WFGNTIC on March 1, 2016 and approved by the Washington Office of the Insurance Commissioner on June 30, 2016. The rates contained in this new rate manual become effective as of **July 1, 2016**, for all orders opened on or after that date. This rate manual refiling was a mandatory requirement imposed by Washington State law and has resulted in a complete revision of the existing rate manual format and its contents. The rates contained in the current rate manual will continue to be effective for all orders that have a Commitment issued prior to the above referenced effective date.

A copy of the revised Manual of Rates and Rules is attached hereto. Please review this revised Manual and forward it to all pertinent personnel and appropriate software vendors.
