ESCROW FEES

(Escrows performed in Spokane County)

Effective: July 27, 2025

This filing applies where escrow is performed in Spokane County and the property is located in any other Washington county except Okanogan County, which has its own separate rate filing.

All fees are subject to sales tax, as applicable.

All fees are minimum charges that are made based on a standard transaction with average amount of work performed and risk assumed. If additional work is required or additional risk is assumed, the Company reserves the right to charge additional work fees in accordance with the additional work performed and risk assumed. When additional work fees are to be charged, WFG National Title Company of Washington will not proceed until the consumer is made aware of said charges and is in agreement with such.

The Company reserves the right to match any written fee quote from a competing title and/or escrow company.

Unless stated otherwise, all escrow services are included with exception to the following:

- title insurance premiums and charges,
- mobile notary and courier charges for signings outside of Spokane County.
- governmental fees including transfer and recording fees,
- e-recording fees,
- mobile home title elimination/processing fees,
- private party reconveyance fees or additional charges for lost documents in connection with obtaining the release of the lien, or
- charges made by creditors, condominium associations, homeowners' associations, or others associated with obtaining payoff information.
- charges for more than five consumer debt payoffs
