2. GENERAL RULES FOR USE OF RATES

2.1.9 Short Form Policy

“Short Form Policy” is an abbreviated Policy that insures the insured in accordance with and subject to the terms, exclusions and conditions as set forth in the corresponding long form ALTA Loan Policy, all of which are incorporated by reference in the Short Form policies.

Unless specifically noted, computation of rates for a Short Form Policy shall be the same as for the corresponding long form policy.

2.1.10 Standard Coverage

“Standard Coverage” refers to title insurance coverage provided under the ALTA standard owner’s or loan policy or variant approved for use in the State.

2.2 Amount of Insurance

2.2.1 Owner’s Policies

Owner’s title insurance policies will not be issued for less than the full value of the land, including any improvements or appurtenances, if applicable, as determined by:

- a good faith estimate of the value of the land.

2.2.2 Loan Policies

Loan title insurance policies (including Loan policies insuring a leasehold interest) will be issued in the amount equal to the face value of the insured mortgage, except:

- If the value of the insured land or the equity of the mortgagor is less than the face amount of the mortgage, then the amount of insurance may be equal to the value of the land or the equity of the mortgagor in the land.
- If the Mortgage includes provisions for negative amortization, shared appreciation, or interest or other costs to be added to the indebtedness and secured by the mortgage, the

WFG NATIONAL TITLE INSURANCE COMPANY

2. GENERAL RULES FOR USE OF RATES

policy may be written in an amount greater than the face amount of the mortgage, but no more than 125% of the face amount of the mortgage.

- If the indebtedness secured by the mortgage is also secured by mortgages on other property, the policy may be written in an amount equal to the amount of the indebtedness allocated by the insured to be secured by the land provided the values of the other property or properties is equal to or greater than the amount of the indebtedness not allocated to the insured properties.

2.2.3 Leasehold Owner's Policies

Policies insuring the lessee's interest in a leasehold estate will not be issued with a policy liability amount less than the fair market value of the insured's interest in the premises. Fair market value of a leasehold estate for a term of less than ninety-nine (99) years shall be presumed to be the lesser of:

- The sum of the rent payments called for in under the terms of the lease.
- The amount of a current appraisal of the leasehold interest; or
- The amount determined by any other method of valuation acceptable to the Company.
- Possible future cost of living adjustments to annual rental will not be considered in determining policy limits, however mandatory rental adjustments or minimum cost of living adjustments set forth in the lease will be.
- Where rent is contingent, based on sales volumes or other formula, the result of which is unknown at the time of policy, the issuing party shall make a reasonable determination of the value of the insured's interest in the premises.

2.2.4 Other Interests

Policies insuring any interest other than a fee ownership, loan or leasehold will not be issued for less than the value of the insured's interest in the land.

2.2.5 Co-Insurance

If Company is a co-insurer with other title insurers, the amount of insurance may be less than the amounts set forth in paragraphs 2.2.1-2.2.4, provided the total liability of all co-insurers complies with the amount of insurance requirements set forth in this section.

2.3 Transfers Not Considered in Acquisition Loan/Purchase Transaction

2.5 Elimination of Fractional Dollars/Rounding

Whenever any rate, calculated according to the formulas set forth herein, results in a premium rate which includes a fraction of a dollar, any fractional portion of a dollar shall be rounded up to the next higher dollar.

2.6 Insurance Under One Policy of Multiple Parcels/Multiple Chains of Title

When multiple parcels of land, which each have unique legal descriptions, are insured under a single policy, including when one or more of the insured parcels are composed of easements which benefit or are appurtenant to a primary parcel, an additional work charge of \$200.00 per parcel for Residential Property and \$500.00 per parcel for non-residential property will be assessed. For purpose of applying this rule, contiguous parcels of land in one county shall be treated as one parcel, provided record title to the land and record title to the access is vested in one owner at the time application is made. Each noncontiguous parcel having a separate chain of title shall be treated as a separate parcel. If the parcels of land lie in more than one county, they shall be treated as separate parcels in each county.

4.3 ALTA U.S. Policy Form

The ALTA U.S. Policy Form is issued, upon request, only to a qualified federal agency of the United States of America. The coverage afforded by this policy very closely parallels the coverage of an ALTA Standard Coverage Owner's Policy. Therefore pricing for this policy shall be governed by the rules for a Standard Coverage Owner's Policy in Section 4.1. A commitment may also be used if the proposed insured named therein is the current seller and evidence is provided to confirm that all requirements of said Commitment were satisfied and would have resulted in issuance of an Owner's Policy to said proposed insured. This reissue Rate shall not be applied in addition to any other discount.

4.5 Owner's New Home Rate

WFG NATIONAL TITLE INSURANCE COMPANY
5. BASIC LENDER INSURANCE RATES

minimum rate of \$525. The Rate in this Section 5.5 shall not be applied in addition to any other discount.

6 SIMULTANEOUS ISSUE RATES

6.1 Owner's And Loan Policies

When an owner's policy (including one insuring a leasehold interest) and one or more loan policies are issued simultaneously, the owner's policy will be charged at the applicable rate for the type of owner's policy being issued as set forth in Section 4 and a single loan policy, provided the Amount of Insurance stated in the loan policy does not exceed the Amount of Insurance in the Owner's Policy, will be charged at a flat fee of

Residential Property: \$450.00

Commercial Property: \$750.00 provided the owner's policy was issued by the Company. If the owner's policy was issued by another title insurer, charge the Basic Rate for the loan policy. This applies to both Residential and Commercial Property.

When more than one Loan Policy is issued concurrently with an Owner's Policy and the aggregate amount of the Loan Policies does not exceed the amount of the Owner's Policy, the Rate for each additional concurrently issued Loan Policy over one is \$150 for a Residential Loan Policy and \$350 for a Commercial Loan Policy provided the Owner's Policy was written by the Company. Charge the Basic Rate for the Loan Policy if the Owner's Policy was written by another title insurer.

If the liability amount of the loan policy or the aggregated liability amount of the multiple loan policies exceeds the liability amount of the owner's policy, the premium for the incremental insured value over and above the liability amount of the owner's policy will be computed based on the incremental insured value based on the appropriate type of Loan policy set out in the Basic Rates provided the Owner's Policy was written by the Company. Charge the Basic Rate for the Loan Policy if the Owner's Policy was written by another title insurer.

This simultaneous issue rate applies only when the property in the Owner's Policy and all Loan Policies issued are identical.

6.2 Multiple Finance Loan Policies

When two or more loan policies of the same type are issued simultaneously, the individual loan policy liabilities shall be aggregated together and that aggregate liability amount will be used to calculate the title premium, pursuant to the type of loan policy being issued.

When an Expanded Coverage loan policy is issued simultaneously with a Standard Coverage loan policy, title premium will be computed on the mortgage or deed of trust intended to be recorded first pursuant to the type of loan policy to be issued. The premium for each subsequent loan policy will be computed based on the incremental insured value over and above the amount of the prior loan(s) as if the prior loan policy (ies) was of the same type.

This simultaneous issue rate applies only when the Company is concurrently issuing two or more of the subject policies insuring the same property.

WFG NATIONAL TITLE INSURANCE COMPANY

6. SIMULTANEOUS ISSUE RATES

6.3 Owner's & Leasehold Policies

When an owner's policy insuring the fee ownership and an owner's policy insuring a leasehold interest are issued simultaneously, the owner's policy insuring the fee interest will be charged at the applicable rate for the type of owner's policy being issued, as set forth in Section 4. The policy insuring the leasehold interest will be charged at 30% of the applicable rate for the type of policy (ies) being issued covering the leasehold policy. The minimum charge for a concurrent policy insuring a leasehold interest shall be \$525.00.

This simultaneous issue rate applies only when the Company is concurrently issuing two or more policies insuring the same property.

6.4 Combinations of Owner's, Leasehold & Loan Policies.

When other combinations of policies are issued simultaneously, the owner's policy insuring the fee interest will be charged the applicable rate for the type of owner's coverage being issued as set forth in Section 4, and the remaining policies will be issued at the simultaneous issue rates set forth in sections 6.1, 6.2 or 6.3, as applicable.

WFG NATIONAL TITLE INSURANCE COMPANY

7 LENDER'S SPECIAL RATES

7.1 Applicable Provisions and Restrictions

Lender's Special Rates are only made available to selected lenders who not only provide a high volume of business to the Offering Provider but work with the Offering Provider to develop systems, processes and computer integrations, centralized order processing and tracking, and other controls and economies of scale that enable a more highly efficient, lower cost provision of title services and insurance. The Lender's Special Rates are only available when ALL of the following conditions are met:

- Lender's Special Rates are available only for a Finance Loan. Lender's special rates are not available at the time of an initial purchase of the property.
- The property insured must be a one-to-four family residential property.
- The loan to be made is intended to be placed in a first mortgage lien position as to the property.
- The insured loan amount does not exceed the maximum liability in the appropriate rate tables as set forth in Section 7.3.
- The Offering Provider has in place or is developing centralized electronic order processing and tracking capabilities and/or systems integrations to service the lender.
- The order must be opened electronically and escrow functions (if any) are performed by the Offering Provider.
- All parties must agree to accept a title search or title commitment issued in contemplation of the issuance of an ALTA Residential Short Form Loan Policy or other loan policy that includes general exceptions in regards to taxes and assessments, easements, and covenants, conditions and restrictions.
- The Offering Provider has entered into an addendum to their agency agreement or a separate agreement with the Company specifically authorizing it to provide Lender's Special Rates to certain enumerated lenders.

7.2 Aggregation of Orders for Rate Categories

The Lender's Special Rates are to recognize and encourage the greater efficiencies and economies of scale that can result from the development of highly integrated and automated systems and work-flows both within the Offering Provider and between the Offering Provider and lender.

In order to qualify for Lender's Special Rates, the lender and Offering Provider will discuss their respective needs, develop plans for workflows and systems to efficiently transmit, receive and process the title orders, and as to any changes in processes required and systems to be integrated. At that point, they will reach agreement as to the Lender's Special rate category to be provided the lender, and an understanding that, consistent with the vagaries of the ever-changing refinance lending market, the lender will endeavor in good faith to provide the Offering Provider title orders meeting the minimum number required to qualify for the

WFG NATIONAL TITLE INSURANCE COMPANY

7. LENDER'S SPECIAL RATES

agreed rate category, subject to any agreed ramp-up periods.

As the economies of scale are best achieved on a nationally integrated basis, for purposes of meeting agreed minimums, all orders placed by the lender and any of its affiliates to Offering Provider and Offering Provider's affiliates in any jurisdiction may be aggregated.

As rules and regulations of the Consumer Finance Protection Bureau (CFPB), 12 C.F.R. part 1026, require lenders to provide accurate estimates of title and closing costs well in advance of closing and to abide by those estimates, the failure of a lender to strictly meet estimated minimum volumes for a given rate category in any given month or months, shall not disqualify the lender from being accorded the benefit of the agreed upon rate category until such time as the lender and Offering Provider have amended their agreement.

7.4 Master Home Equity and HE2 - Home Equity 2nd Generation Title Insurance Policy

The Master Home Equity and HE2 - Home Equity 2nd Generation Title Insurance policies are each a master policy with individual coverage certificates or electronic confirmations of coverage issued for each property and loan to be insured.

The charge for issuing a certificate for this policy shall be:

- \$45.00 per transaction for residential home equity loans up to \$250,000.
- \$75.00 per transaction for residential home equity loans over \$250,000 and up to \$500,000.
- \$250.00 per transaction for residential home equity loans over \$500,000 and up to \$750,000.
- \$300.00 per transaction for residential home equity loans over \$750,000 and up to \$1,000,000.

This pricing does not include any charges for title searches, examinations, legal fees, property reports, credit reports, recording fees, other charges, or other monies advanced on behalf of the insured or borrower, any of which may be charged at amounts agreed with the lender.

Because of the low price and risk profile of these policies, the pricing does not fit with normal agency splits. These policies may only be issued by an Offering Provider that has entered into an addendum to their agency agreement or a separate agreement with the Company specifically authorizing it to provide this policy to certain enumerated lenders.

8.4 ALTA Limited Pre-Foreclosure Policy/Foreclosure Guarantee

WFG offers both the ALTA Limited Pre-Foreclosure Policy and a “Foreclosure Guarantee and Commitment” for use in Wisconsin.

The Rate for either is as follows:

WFG NATIONAL TITLE INSURANCE COMPANY

Residential: \$650 for the first \$15,000 of Liability. For additional Liability, use the Basic Rate Table for Standard Coverage.

Commercial: \$750 for the first \$15,000 of Liability. For additional Liability, use the Basic Rate Table for Standard Coverage.

When issuing the ALTA Limited Pre-Foreclosure Policy, the Policy Amount must be equal to at least the principal balance of the lien being foreclosed or the fair market value of the Land.

When issuing a Foreclosure Guarantee and Commitment, please see our Guideline for direction at www.wfgunderwriting.com.

8.5 Miscellaneous Guarantees

Other Limited Coverage Guarantees forms, other than those described in herein, which provide information specific to a customers need for information shall be provided by the Company upon receipt of a specific application, for 80% of the Basic Rate Table rate for Standard Coverage.

8.6 Binders

In lieu of issuing a final title policy upon closing of a transaction to the Insured, the Company may be requested to issue an interim Binder when a future transaction is contemplated within the following 24 month period. The initial premium will reflect the charge for the appropriate level of insurance coverage as defined above, plus an additional 10% surcharge for issuance of the Binder. No additional charge, other than appropriate increased liability charges shall be collected when the Binder is converted to a final policy. The binder may be extended for one additional twelve-month period, prior to its expiration, by payment of an additional 10% of the Basic Rate for Standard Coverage.

9. ENDORSEMENTS

9 ENDORSEMENTS

9.1 Endorsements to Loan Policy in TRID Transactions

When issued in conjunction with a TRID transaction, any endorsements shall be issued for a loan policy without additional charge.

9.2 Endorsements to Owner's Policies and Loan Policies in Non-TRID Transactions

Each endorsement to any policy other than a loan policy issued in connection with a TRID Transaction shall be issued for the additional premium set forth in the table below. Where the table refers to a percentage figure, the premium for the endorsement shall be computed based on the rates set forth in Section 3.1, without taking into account any discounts that may have been applied to the underlying policy.

9.3 General Rules

Many of the endorsements are not priced for some of the policy forms because of: 1) infrequency of use; 2) wide range of risks; and/or 3) the endorsement was designated to be attached to a specific policy form but can be modified for other types of policy. If any of these coverages are desired, such requests shall be considered a "unique requirement". Additional charges will be made when unusual conditions of title are encountered, or when special risks are insured against, or when special services are requested.

Situations may arise, where in the opinion of the Company, a scheduled endorsement charge is too low or too high relative to the risk involved, probability of loss or other matters related to underwriting practices. In such cases, the endorsement charge may be adjusted.

Endorsements may be issued ONLY: (a) if applicable to the specific facts of the transaction and the property to be insured; (b) if not duplicative with the coverage of another endorsement being issued on a given policy; and (c) as to each endorsement, upon meeting all applicable underwriting guidelines for the endorsement.

When requested to issue concurrently a series of the same type of endorsement on a single policy, including issuance of duplicate endorsements for separate parcels within the policy (e.g., ALTA 17 for Parcel 1 and ALTA 17 for Parcel 2) and endorsements in the same series of endorsements with separate coverages (e.g., ALTA 9.2 and 9.9), the rate for the first endorsement will be as listed in the chart below, and the rate for endorsements after the first shall be 50% of that rate. When an endorsement is issued simultaneously (concurrently) on both the Owner's Policy and Loan Policy, the rate for the endorsement on the Owner's Policy shall be as listed in the chart below, and the Rate for the endorsement on the Loan Policy shall be 50% of that Rate.
